**JOINT STATUS REPORT**

On June 4, 2019, this Court granted the parties an additional one month to file a Stipulation of Dismissal or a status report discussing settlement progress. ECF No. 55. This report is provided pursuant to the Court's order.

In their June 3, 2019 status report, the parties detailed their diligent efforts to reach a final settlement agreement. ECF No. 54. The parties communicated multiple times by telephone and by email but reached an impasse. The parties do not believe that additional time will allow for resolution of the impasse. The parties are grateful for the Court's patience as they attempted to reach a final settlement agreement.

Accordingly, the parties respectfully ask the Court to resume the litigation. Plaintiffs' motions for preliminary injunction and class certification are fully briefed. Plaintiffs requested an evidentiary hearing on the motion for preliminary injunction, ECF No. 23. Intervening Defendant State of Missouri requested oral argument on both motions, ECF Nos. 37-38.

Respectfully submitted,

/s/ Gillian R. Wilcox
